

Promoting Independence At Home

HomePower is a program that empowers people to live safely and independently at home. HomePower is a Group Adult Foster Care Program funded by MassHealth that provides supportive services to individuals with disabilities, ages 22 and over.

What does HomePower offer?

- Hands on assistance, or supervision, handling personal care activities such as bathing and dressing.
- Alternating monthly home visits by a registered nurse and/or care coordinator.
- HomePower services can also be used while there is Hospice and Visiting Nursing in place.

Additional Services Offered Based on Need

- Homemaking
- Laundry
- Meal preparation and home delivered meals
- Grocery Shopping
- Transportation Arrangements
- Adult Day Health programs 2-5 days per week and more

Who can participate in this program?

- Individuals eligible for MassHealth Standard or CommonHealth coverage.
- Individuals with disabilities, aged 22 years or older that reside in a managed building (Boston Housing Authority, congregate housing, senior housing, etc.) with 24-hour access.
- Has functional or cognitive impairment that prevents individuals from living safely and independently in the community.
- Requires and *accepts assistance with personal care* one hour per day 7 days/week.
