

An Enhanced Adult Foster Care Program  
from Boston Senior Home Care

The **Shared Living Program** is for elderly and disabled individuals that need personal care assistance and agree to live with a caregiver. In this program a primary caregiver is paid for taking care of a loved one at home.

### What does this program offer?

- A loved one can continue to live safely in a family environment
- The caregiver receives support and training from registered nurses and case managers
- The primary caregiver receives a monthly stipend

### Who can participate in this program?

- Individuals eligible for MassHealth Standard or CommonHealth coverage
- Individuals 16 years of age or older that require 24-hour supervision at home
- Individuals with a chronic condition that need daily physical assistance with bathing, dressing, toileting, transferring, walking or eating

### Caregiver Responsibilities

- Provide 24-hour supervision and physical assistance
- Comply with the loved one's Plan of Care developed by a nurse and case manager
- Assist with scheduling and transportation to health-related appointments
- Provide nutritionally-balanced meals and snacks daily
- Maintain a safe, clean home in good repair with adequate heat
